

Sectionals Contract

Dear Parents and Students,

Welcome back to a new school year. In order to best meet the needs of our students, members of the Paredes Band will be required to attend one weekly sectional after school. These sectionals meet with only their own instruments, providing individualized rehearsals to each student. **These MANDATORY sectionals will count towards report card grades.**

Sectionals will begin at 3:50 pm and run until 5:30. Students attending sectionals must be picked up at 5:30 or ride the after school activities bus.

Our sectional schedule will be determined by the best availability of students. If you do not turn this paper in, your input will not be considered. **YOUR OPINION MATTERS!**

If unable to attend after school sectionals, arrangements can be made for before school sectionals on an individual basis.

If sports/cheerleading practice conflicts with sectionals- Please talk to your band director ASAP. We can absolutely make arrangements so that you can fully participate in both activities.

Please detach and sign the bottom of this page by Friday, August 23rd. Please feel free to contact us if you have any questions or concerns.

I understand my student's responsibility to attend weekly sectionals. My student is BEST available on the following days:

Private Lessons

Dear parents and students,

The Paredes Middle School Band is very excited to now offer private lessons to our students. Private lessons allow students to get 1 on 1 attention from an expert on their instrument. This will give students a substantial advantage for meeting class expectations, making our most advanced bands at both Paredes and Akins, and thriving in events like all region auditions.

Private lessons do require a financial commitment from a parent. Lessons are generally \$20 per week for a 30 minute session, but occasionally vary slightly depending on teacher. Lessons will generally take place either during a student's band class or after school, depending upon student and teacher availability. If you are interested and willing to make the commitment, please fill out and return this paper to me at your earliest convenience. Thanks for your support of our students, and please let me know if you have any questions or concerns.

Yes! My student would be interested in private lessons.
